INTERNET ACCESS PERMISSION SHEET

As part of pupils' curriculum enhancement and the development of ICT skills, Drax Community Primary School will provide supervised access to the Internet including e-mail.

Although there have been concerns about pupils having access to undesirable materials, we are taking positive steps to deal with this risk in school. Our school Internet access provider operates a filtering system that restricts access to inappropriate materials.

Whilst every endeavour is made to ensure that suitable restrictions are placed on the ability of children to access inappropriate materials, the School cannot be held responsible for the nature or content of materials accessed through the Internet. The School will not be liable under any circumstances for any damages arising from your child's use of the Internet facilities.

A copy of the school's E-Safety Policy is available for your inspection.

Should you wish to discuss any aspects of Internet use, please telephone to arrange an appointment.

Conditions of use

This form is valid for the period of time your child attends this school. The consent will automatically expire after this time.

It is your responsibility to let us know if you want to withdraw or change your agreement at any time.

We will not re-use any photographs or recordings after your child leaves this school.

We will not use the personal details or full names (which means first name and surname) of any child in a photographic image in any school medium e.g. display, video ... Instead we will try to use more general images and accompanying information e.g. class photographs or footage with very general labels, such as “a science lesson” or “making Christmas decorations” ...

If a name is included for a child it will only be the first name and where possible a direct link between the image and the name will not exist e.g. a photo of a group of children with names mixed up in the caption below.

We may use pictures of pupils and teachers that have been drawn by the pupils.

If an external agency requires the publication of a name along with an image, e.g. newspaper, we will always obtain the parent or carer’s consent first.

We will only use images of pupils who are suitably dressed, to reduce the risk of such images being used inappropriately.

PARENT PHOTOGRAPH AND VIDEO PERMISSION SHEET

From time to time throughout the school year, parents will want to video or take photographs of their child taking part in Christmas performances, Sports Day, etc.

Please sign and return to school if you give permission for your child to be included in such images.

(See previous section for appropriate conduct re. images)

Please note that refusal to sign this form could affect the participation of your child in these events.
